Canadian Masters Invitational a great success!

BC hosts its first Canadian Masters event

Some of the medallists at the Canadian Masters Invitational

From June 8 - 10, 2011, BC Diving hosted the Canadian Masters Invitational, in conjunction with the Irene MacDonald Invitational. The event was an outstanding success, with divers coming from Virginia and Arizona (USA), Sydney (Australia), and from Alberta, Manitoba, Quebec, and British Columbia. It was an exciting competition, with divers ranging in age categories from 18 - 24 to 80 - 84.

A Novice category was also included to allow the LTD Adult

Divers the opportunity to show off their newly aquired skills, and they put on a very impressive show. A great time was had by all, and we hope to see the Canadian Masters Invitational become an annual event. [Click here for the results.](#)

Many thanks to Al Hungerschafer, Shelley Smee and Kara Williams for all their assistance in the organization of this event.

Important Reminder to Register your New Divers Spring and Summer Divers Must be Registered

As we move into the summer, most clubs are starting new diving sessions. **It is necessary that all new divers are registered in order that the they are insured. This is essential for divers and clubs alike.**

Please ensure that you either register them online before they start diving or forward their registration forms to BC Diving in order that we can register them.

In early July, BC Diving will be submitting the head count for divers for the period from September 2010 to June 30, 2011, so it is essential that all divers have been registered by June 30. Please review your records to ensure that you have not missed any registrations.

Please [contact us](#) if you have any questions or require assistance with registration.
